

# Why Partner With Penrod?

Penrod offers top-of-the-line door and millwork hardware. You can trust us to afford effective solutions as well as manage supply chain complexity so you can do what you do best while focusing on improving your bottom line. We're experts in our field, with over 30 years of experience in this arena and an exceptional understanding of usage and inventory needs.

## PENROD THINKS BEYOND INVENTORY MANAGEMENT

- We specialize in just-in-time (JIT) inventory management, maintaining critical inventory levels so you don't have to — all your door hardware needs are just a call or click away.
- We ship orders within 24 hours — if not on the same day — and our nationwide distribution network ensures that orders can reach any town in the U.S. within 48 hours.
- We have spent decades working with our suppliers to create consistent packaging, quality, and specifications.

## PENROD MAXIMIZES EFFICIENCIES

Working with Penrod, you get a single supply source that ensures you can focus on manufacturing and improving productivity and efficiencies while reducing paperwork processing and waste. Our in-depth expertise in international importing tames global supply chain challenges.
